

### Exotic Plants with Coloured Pencil

Jonathan Newey

12th - 13th Apr 2025

Saturday to Sunday

"Drawing Exotic Plants with Coloured Pencil" is a two-day immersive course perfect for nature and art enthusiasts. Guided by Jonathan, participants learn techniques to capture the vibrant hues and intricate details of exotic flora using coloured pencils. The workshop covers essential skills such as layering, blending, and achieving realistic textures. Ideal for beginners and experienced artists alike, this hands-on experience provides inspiration and practical tips for bringing botanical beauty to life on paper.

#### Description

This is a two day course that will show you how to draw exotic tropical plants with coloured pencil. Using demonstrations and working from photographs supplied by the tutor, you will be shown how each technique can be achieved. The course will be run in a friendly and relaxed manner and is an ideal way of moving on to other subjects where coloured pencil can be used. Aimed at students of all abilities, especially beginners and students with some knowledge.

#### Please bring with you

One pad or a few sheets of smooth, white cartridge paper or hot pressed watercolour paper. Aproximately A4 in size.

One medium size pack of artist quality coloured pencils (Derwent, Faber Castel, Caran Dache, Lyra or WH Smith). As many different colours as possible.

If you have watercolour pencils then these can also be used dry.

Pencil sharpener, 2B & 4B (or softer) pencil, eraser.

#### Available to purchase from the tutor

The tutor will have a selection of pencils available to borrow on the day but may not have enough for everyone.
