Description

tbc
An extraordinary experience as ever working in liaison with Artist, Jackie Devereux, renowned for her contemporary works on paper - original and experimental in nature and carefully crafted. She will encourage you to develop ideas as you create unique watercolour samples and print from paper to paper. - a complete hands-on experience on paper in preparation for creating collages. The introduction of permanent black Indian ink will be an option which is always a bonus on Jackie's courses. She is always working and experimenting as she creates work for exhibitions, and each of her courses contain surprise elements as she works alongside you during the weekend.

Please bring with you

If you already have watercolour equipment, bring what you have, whether it is in the form of 'pans' or tubes, but you may wish to add some other colours, brushes, and paper. I hope the following will assist in your choices:
I recommend the following, based on value for money and quality. I love Winsor & Newton professional watercolours, or Schminke in small 5ml tubes, and would suggest two reds, two blues and two yellows as follows: Scarlet red/Permanent Rose, Manganese Blue/Winsor Blue Green shade (Pthalo), Aureolin yellow/Indian yellow. This selection will give you a good range for mixing.
A large plastic palette as illustrated will be useful.
I have shown a selection of brushes which you may well already have, and so long as you have something that is not too small then that will suffice. I always have spare brushes like these for you to try during the course in any event. (For your information Brushes illustrated left to right are squirrel hair Mop, Swordliner, Small Flat, Large Flat, Large Wash otherwise known as a Filbert.) - I would stress this is not a shopping list and you may well have similar brushes already and are welcome to try mine.
As to paper, I would recommend Bockingford 300gsm NOT surface otherwise known as 'cold pressed', or you may well have a favourite. Minimum size A3 although buying in large A1 sheets is more economical. I would avoid so called 'practice paper' as this will not give very satisfactory results.
Low tack masking tape, or 'magic' tape.
Drawing boards and water jars are provided for your use, but please bring paper towels.If you require any other assistance, please do not hesitate to contact me.

Available to purchase from the tutor

Jackie will bring PVA, a selection of papers and all sorts of elements and if you have favourite lightweight papers,

lace, sweet papers, tea bag paper, interesting threads, postage stamps etc., that you feel would be fun to use, please bring them along. Jackie intends to use 'found' materials, re-cycling and discovering the beauty in things we may otherwise overlook.If you have any queries at all do contact Jackie.
